# Certificate Course on Legal Research & Avoiding Plagiarism

Knowledge Steez takes immense pleasure to announce the launch of its much awaited certificate course on “Legal Research and Avoiding Plagiarism”. This certificate course is an extensive program that is aimed at honing research and analytical skills among students, researchers and other professionals. Research plays a vital role in a students’ life, whether it is about writing research papers or research for any other purpose. Students enrolling for this course will be able to critically engage with contemporary research in their own disciplines and develop a unique skill set to carry out research independently. The certificate course will focus not only on data collection and data analysis but also on the ethical part of the research. Towards the end of this course, you will be able to establish a methodical approach to conduct a legal research.

# Benefits

- Learn how to avoid plagiarism.
- Learn how to use Google to find law review articles, annual reports etc.
  - Research skills give you an edge in obtaining Scholarships while applying for higher education abroad. The course will also help students how to write Statement of purpose and letter of recommendation for the Scholarship.
- Certificate of completion for all students attending the course.
  - Guidance in getting your research papers published

**Study Material:** The study material will be send to all the students online through e-mail.

**Evaluation:** All the students will be asked to submit an essay/ article at the end of the course and the essay/ article will be marked by our trainers.

The three essays/ articles getting highest marks will be published in an international journal.
